

Memo – Pursuit Race Sunday 15 July 2012

Classes All competition classes except HD10.

Start times Start times per class – see next page.

Start lists Published in Eventor, at the arena and at the camping site as soon as possible after Saturday's race.

Start order

The runner with the best total time from E1 + E2 starts first.

The start time for the remaining in the class is calculated by the time difference up to the leader.

Competitors who are more than 30 minutes after the leader or do not have a total result start after that with 15 seconds interval.

Race bibs

The first 9 in each class are to carry race bibs mentioning the class name and total place number.

The race bib is self-served at the start site.

Roll call

Circa 5 minutes before the start time your name is read out, you will be ticked off and your SI card is checked. After that, you continue forward.

Start

When your start time (hour, minute and second) is shown on the start display, you are released and can take your map and start your race.

Finish

At the finish, the pursuit race classes have a separate track. Judges decide the priority of the runners and the finish punch is done a few metres behind the finishing line.

Start times Stage 3 Halland's 3-days 2012

Women's classes	Time	Start	Men's classes	Time	Start
D21 Elite	10:59	1	H21 Elite	10:56	1
D20 Elite	10:02	1	H20 Elite	10:00	1
D18 Elite	10:38	1	H18 Elite	10:39	1
